## About Me

Hello, I'm Feras Badran. I love programming and everything about computers. Instead of focusing on a single software topic, I enjoy trying different fields and creating small projects. Besides that, I love playing sports, especially football, and I can say that I am a good player. In short, I enjoy trying everything, having fun, and not being stuck in one area.

## Skills & Languages

- Game Development (Basic experience, created small games)
- Web Design (Basic experience)
- Programming (Exploring different fields)
- Fluent in Arabic, Turkish, and English

## Education

Cemberlitas Anatolian High School
